RP Digital Type Foundry
The End User License Agreement

Desktop License

This End User License Agreement (hereinafter 'Agreement') is a legal agreement between you and RP Digital Type Foundry c/o Radim Pesko Ltd., company number 8786886, 344 Crescent House, Golden Lane Estate, EC1Y 0SN London, United Kingdom, governing your use of the Font Software ordered online by you.

Definitions

'Font Software' as used herein means software that generates typeface designs and/or typographic designs and ornaments, when used with the appropriate hard- and softwares.

'Font Software' is the exclusive property of Radim Peško, who owns all rights, title and interest in and to the Font Software, its structure, organization, code, and designs embodied therein, the trademarks, trade names and service marks. The Font Software and design of the Fonts embodied therein are protected under copyright and other intellectual property law.

License

Radim Peško hereby grants you a non-exclusive and non-transferable license to use the Font Software under terms and conditions set forth below. This license grants you certain limited rights to use the Font Software only. The Font Software is licensed, not sold. All other rights, title and interest in and to the Font Software, are expressly reserved to Radim Peško.

Under this license you are entitled to use the Font Software solely for Desktop Publishing as specified below in this Agreement.

This license is for the benefit of a single user only. A single user is permitted to install and use the Font Software on the number of computers which is specified in your order, within your premises situated at a single location, that are also designated in the order. The Font Software shall not be installed on the server, which is accessible by the Internet or by similar public computer network.

Restriction of Use

Under this license you are entitled to use the Font Software as the end user for your customary personal or internal business purposes, which does not include any distribution whatsoever of the Font Software or any component thereof.

You are not allowed to copy, distribute or make the Font Software available to third parties. You further agree to exercise reasonable care to avoid unauthorized distribution of the Font Software (password protection, font subsetting etc.).

The Font Software or documentation may not be sublicensed, sold, distributed, leased, rented, lent, or given away to another person or business. You may not change any trademark or trade name designation for the Font Software. You may not use any trademark or trade name designation for the Font Software for the purposes of identification of similar or identical products.

Modifications and Derivates
Except as may be otherwise expressly permitted herein or by a separate written agreement, you may not modify, adapt, translate, reverse engineer, decompile, disassemble, alter or otherwise copy the Font Software, the source code of the Font Software or the designs embodied therein.

Backup
You are entitled to make a single copy of the Font Software solely for backup purposes. Any copies that you are expressly permitted to make pursuant to this Agreement must contain the same copyright, trademark, and other proprietary notices that appear on or in the Font Software.

Desktop Only
The use of the Font Software is restricted to the use in Desktop Publishing. This license does NOT permit use the Font Software embedded in electronic documents (such as websites, PDF documents or Flash documents, electronic books, interactive software – video game or any other computer application, or motion pictures) for the

purposes of their distribution to the general public (or to some subset of the general public) through computer networks (such as Internet) or by means of any other public media. If you wish to use the Font Software for such purposes, you must secure separate Licenses.

Embedding
You may embed copies of the Font Software into your electronic documents only for the purpose of printing and for their use on private computer networks. In case of exclusive purpose of outputting printing files, you are permitted to transfer temporarily a copy of the Font Software used here for creating relevant file to a printer, pre-press studio or other commercial service company. Such copy of the Font Software must be destroyed immediately after printing. In case of any further text modifications the printer/company is required to acquire its own license. You further agree to inform the printer (pre-press or other commercial service company) about the content of this Agreement.

Liability

The Font Software may be returned or exchanged only if defective and will be replaced only when accompanied by a valid sales receipt within thirty (30) days of purchase.

Radim Peško shall in no event be liable for any direct, indirect, consequential, or incidental damages, including damages from loss of business profits, business interruption, and loss of business information, arising out of the use or inability to use the Font Software.

Under no circumstances shall Radim Peško's liability exceed the substitution or the replacement cost of the Font Software.

Usage of the Font Software in violation of this Agreement shall be considered as illegal.

Final Provisions

Any breach of the terms of this Agreement shall cause this license to be automatically terminated. In the event of termination, and without limitation of any remedies, you must immediately return the Font Software to Radim Peško and certify that no copy remains in your possession or control.

Upon termination of the Agreement, you must destroy the original and any and all copies of the Font Software.

This License Agreement is subject to Czech Law. All disputes related to this Agreement shall be be settled by the courts of the Czech Republic.

By downloading and/or installing the Font Software, you acknowledge that you have read, understood, and agreed to be bound by the terms and conditions of this License Agreement.
